Offering hope and
encouragement everyday!

We believe the church belongs to God and
that the church is, in the words of the
Apostle Paul, the body of Christ. The church
is to be the physical presence of Christ in
the world. As such, our primary aim is to
do God’s will.

The Lord called me before I was born, while I was in my mother's
womb he named me. Isaiah 49.1

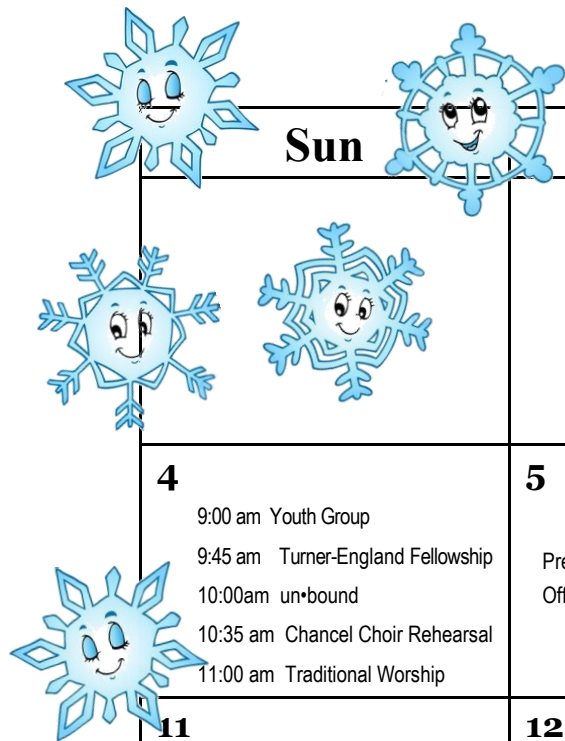

Who Are You?

The beginning of a new calendar year is a time when we often
reassess direction and ask questions yet again about who we are and
where we are going in life. We make resolutions, we sign up at the
gym (again), we vow to be better people. This year we will take a
deep journey into the question, "Who Are You?" We will discover
that "who we are" is indelibly linked to "Whose we are." What amaz-
ing things could happen if you lived into your best, most passionate,
loving self? Let's find out what transformations can happen in just a
few weeks as we begin our New Year's Series, "Who Are You?"

present day. Rather than lamenting about having been born
into such a time, Esther and others throughout history have
found ways to make it their time and to work from within their
context to bring light and hope. Are we called to this present
moment as our time to change the world?
