Please be sure to sign up and attend the Friendsgiving Luncheon on Sunday, November 18, right after church service. Bring a favorite dish and enjoy this church wide fellowship during this special event. Due to the hectic pace of the holiday season and my recovery time, we will not have a regular meeting in November. Thanks for all of your good wishes and special prayers.

On November 11<sup>th</sup>, at 7pm, we will join eight other churches in our area for a joint Charge Conference at Trinity On the Hill UMC.

So what is a charge conference? Here is the official definition:

"The charge conference is the basic governing body of each United Methodist local church and is composed of all members of the church council. All members of the charge conference must be members of the local church. The charge conference must meet at least once per year. The charge conference directs the work of the church and gives general oversight to the church council, reviews and evaluates the mission and ministry of the church, sets salaries for the pastor and staff, elects the members of the church council, and recommends candidates for ordained ministry."

In other words, we will be doing the business of the local church and at this particular Charge Conference we will be affirming the work that we have already done in our committees and Administrative Council meeting. We will also be joining with our fellow churches in celebrating our church.

We have reason to celebrate as God's children! Jesus is in our midst—on Sunday morning worship, in our preschool each day, in the office, in our homes and in our relationships. As followers of Jesus, we rely on his presence as we live out his love and grace in our lives.

God is here. Everyday. Always. Thanks be to God!
