Service Project: For the month of October, we will begin collecting items for our Flood Buckets that we will be building, which will be our Service Project during the month of November. Be on the lookout for an email with information regarding what items we will need!

Thank you so much for your participation!!

Fall Specials Schedule:

- Music - Monday Mornings
- Soccer Shots - Tuesday Mornings
- Movement - Wednesday Mornings
- Pre-K Computer - Thursday & Friday Mornings

SAFETY ISSUES: Please when entering and exiting the building, **DO NOT ALLOW** other people to enter or exit the building unless a staff member is present.

Need: We are in need of clean, plastic grocery bags for the Food Pantry and the Center.

Seasonal Clothing: As the weather begins to change, we ask that parents please make sure that all children have a weather-appropriate change of clothing that is properly labeled with the child's name. If your child is experiencing frequent accidents, please make sure that they have the appropriate number of changes of clothing, as we do not have clothing to accommodate all children.

Please also make sure that your children have enough diapers and wipes each week!

Pickup/Dropoff Protocol: Please remember that you are required to wear a mask when entering the facility and please remember that parents are not permitted in the classrooms during drop-off and pickup. They must remain outside of the room.

Thank you so much as we continue to navigate through these everchanging situations.

Your support is greatly appreciated.

Bible Study -

Wednesdays @ 5:15pm

The Book of Revelation contains passages of great beauty and comfort, as well as passages that strike the casual reader as bizarre, bewildering, and sometimes frightening. How are readers today to discern God's message in this peculiar part of the Bible

Breaking the Code Revised Edition provides a trustworthy guide to the rich symbolism of this important biblical book. Noted biblical scholar Bruce M. Metzger presents the fruits of solid scholarship in a non-academic style.

This revised edition includes updates based on current biblical research, as well as additional teaching from author and respected New Testament scholar, David deSilva.

Our study will examine how Revelation is relevant in our own challenging times as well as how it has been misappropriated throughout the ages.

You will not want to miss this fascinating look at one of the most debated books in all of the scriptures!

Woodlawn will be collecting materials during the month of October to build Flood Buckets for the month of November.

Please have a look at the insert inside the newsletter for information on what is needed for this exciting project!!

Woodlawn will be hosting a Door-To-Door Trick Or Treating & Spaghetti Dinner on Friday, October 21st. All children who wish to participate will get a chance to go door-to-door to each of our preschool classrooms to Trick-Or-Treat.

The route will end in the fellowship hall where we will have a spaghetti dinner that families will be able to either enjoy in the fellowship hall or take home.

We are asking for volunteers to dress up and help interact with the children on this evening and also are asking for donations of decorations for the halls and candy to give out as well.

This will be a fun experience for both church and preschool to attend and have a joyous time in the fall season!!
