The Acts of the Apostles is a unique and crucial book that chronicles the story of God's grace flooding out to the world through the lives of the apostles in the decades immediately following Christ's ascension into heaven.

In *Acts: Catching up with the Spirit*, author and biblical scholar Matthew Skinner provides a broad yet theologically attuned introduction to this important book and its story of the early church learning to bear witness about God's salvation through Jesus Christ..

Skinner explores six key themes that illustrate the ways in which reading Acts is capable of igniting our imagination about the character of the Christian message, the work of God's people (the church), and the challenges of living faithfully in a complex and changing world.

Our Mission Box is in need of Non-Perishable Food items.

Please bring items on Sundays or to the church office during the week.

Woodlawn is collecting School Supplies for the families at the Salvation Army Shelter. Please have all donations in the office by July 20th
